## ABOUT ME

I am a young and passionate Frontend Developer with 4 years of hands-on experience in building responsive, user-friendly web applications. Skilled in React.js, UI/UX design, and graphic design, I bring both technical expertise and creative vision to every project. I thrive at the intersection of design and development, creating seamless digital experiences that are visually appealing and highly functional. Eager to contribute innovative solutions and grow with forward-thinking teams.

## EXPERIENCE

2020 - 2024

PETER HARVARD INTERNATIONAL SCHOOLS

### INTERN

- Assisted in designing and developing responsive web pages for school projects.
- Applied React.js and frontend technologies to improve user interfaces.
